Cyber Security to Be Highlighted

KEYNOTE - November 19, 9:30-10:30 AM
Gary Warzala (left), Chief Information Security Officer (CISO), CyberRisk LLC and former CISO of Visa, Inc., will speak on Information Security: The Evolving Role of Today’s CISO

SPECIAL PRESENTATION - November 19, 12:10-12:50 PM
Representatives from the FBI - Dallas Division, Cyber Task Force and the U.S. Attorney’s Office - Northern District of Texas will speak on Investigating and Prosecuting Cybercrime

Attendees interested in cyber security will be at the show for this timely keynote and special presentation and for our Cyber Security track, which will include sessions on password alternatives, high-profile hacks, IT’s role in cybercrime, data security challenges, and cyber threat intelligence.

Keynotes and Special Events on Show Floor

Attendees will be drawn to the expo floor for keynotes and special events throughout Security Today. While there, they will want to learn about the latest technology and solutions your company offers!

Featured Exhibitor Booth Package for Easy Exhibiting

Security Today’s Featured Exhibitor Booth Package includes a booth furnished with a draped table, chairs, electrical service, carpet, lead retrieval system, and much more! This will save you time and money and make exhibiting easier for your team at the show. Call us for details.
